In such cases, the officer in charge of the branch depot shall, as soon as the number of stamps in the depot falls below the number issued during the preceding four months, submit an indent for a supply equal to the probable consumption of three months so that he may always have three months' stock in reserve in addition to the number required for sale during the next three months.

9. No discount shall be given on account of the purchase of any stamp exceeding Rs. 100 in value, nor on any stamps applied on material furnished by the purchaser himself nor if there be purchased at one time less than the quantity prescribed by these rules in respect of any class or value of stamps.

16. The Board of Revenue or Government may authorize licensed vendors to be supplied with stamps without requiring payment in ready money. Such licensed vendors may receive commission on these stamps sold by them at a rate to be prescribed by the Board of Revenue or Government not exceeding 2 per cent. In this case sufficient security shall be taken from the licensed vendors for the payment of any sum due by them to Government.

17. Every licensed vendor shall at all times maintain in a conspicuous position outside the place of sale a sign board bearing the name of the vendor with the words 'Licensed vendor of stamps' in English and the vernacular language of the district. He shall also have in the place of sale the Acts of the Legislature and their schedules referring to the stamps sold by him together with these rules in English and the said vernacular so placed that they can readily be seen and read by purchasers.

18. Every ex-officio vendor selling stamps to any person who is not a licensed vendor and every licensed vendor shall with his own hand write on the face of every stamp paper which he sells just below the stamp impression a serial number as determined by the orders of the Government, the date of sale, the name and residence of the purchaser, and if the stamp is purchased for the use of any person other than the person who tenders the money for it, the name and residence of such other person also, and the value of the stamp in full in words and his own ordinary signature; at the same time he shall make corresponding entries in a register to be kept by him in such form as the Government may prescribe. Provided that in the case of copy stamp papers and hundies the endorsement shall be made on the back.

19. Every ex-officio or licensed vendor shall, without delay, deliver any stamp which he has in his possession for sale on demand by any person tendering the value in any currency which would be accepted on behalf of Government by the Collector of the district.

20. No ex-officio or licensed vendor shall sell any stamps, the use of which has been ordered by competent authority to be discontinued.

21. Every ex-officio or licensed vendor shall keep and render such accounts as may be prescribed by the Board of Revenue or Government and shall allow the Collector of the district or any officer duly authorized by such Collector, by the Board of Revenue or by the Government at any time to inspect such accounts and the register which he is required to keep under rule 18 and to examine the stock of stamps in his possession.

22. Every ex-officio or licensed vendor shall, at any time on the demand of the Collector or other officer duly authorized by the Board of Revenue or Government, deliver up all stamps remaining in his possession and if such stamps have been paid for, shall receive back the value thereof less any discount which may have been allowed.

23. When application for an impressed sheet of a particular value is made to a Treasury Officer or to a stamp vendor, the Treasury Officer or stamp vendor shall, if possible, issue a single sheet of that particular value. If a single sheet is not available he shall issue the fewest possible sheets that will amount to the required value.

24. When, however, the value of the stamp paper applied for is higher than the highest value of stamp which the vendor is authorized to sell such vendor shall not attempt to supply such stamp by the sale of a number of the stamped sheets he is authorized to sell.

25. The stock of stamps in the Stamp Office, Madras, shall be verified annually by an officer of the rank of Assistant or Deputy Collector unconnected with the Stamp department and deputed by the Government for the purpose. The verification shall take place in the manner and in the form prescribed by the Auditor-General to whom the result shall be reported.

No. 292.—In exercise of the powers conferred by section 3 (1), clause (a) of the Madras Agricultural Pests and Diseases Act III, 1919, as amended by Act VII of 1925, the Government of Madras, Ministry of Public Works, hereby declare that the "Hairy Caterpillar" (*Amsacta albistriga*) is an insect pest in respect of dry crops such as groundnuts, cumbu and gingelly, etc. In order to eradicate this insect pest, the Government of Madras in the Ministry of Public Works direct under clauses (b) and (c) of sub-section (1) of section 3 of the Act that with effect from 15th August 1931 all parent moths which emerge after the first heavy rains as well as the eggmasses laidby them in the tracts specified below should be promptly handpicked and killed by crushing or burying them deep. Since any neglect on the part of a ryot in having moths and eggmasses promptly handpicked will lead to the hatching of innumerable caterpillars and their subsequent invasion of the fields of his neighbours it shall be incumbent on him to have the caterpillars either handpicked or prevented from straying into other fields by digging trenches. 2. The petition shall be presented within seven days of the date of the declaration of the result of the election and shall contain a statement in concise form, of the material facts on which the petitioner relies and the particulars of any corrupt practice which he alleges, and shall, where necessary, be divided into paragraphs numbered consecutively. It shall be signed by the petitioner and verified in the manner prescribed for the verification of pleadings in the Code of Civil Procedure, 1908.

3. The petitioner may, if he so desires, in addition to calling in question the election of the returned candidate, claim a declaration that he himself or any other candidate has been duly elected; in such case he shall join as respondents to his petition all other candidates who were nominated for the election but had not withdrawn before the polling.

4. (1) At the time of presentation of the petition the petitioner shall deposit with it, as security for the cost of the same, a sum of two hundred rupees in cash.

(2) If the provisions of sub-rule (1) are not complied with the *persona designata* shall dismiss the petition.

(3) Upon compliance with the provisions of sub-rule (1) the *persona designata* shall proceed to inquire into the petition.

5. The *persona designata* shall as soon as may be cause a copy of the petition to be served on each respondent and on the chairman of the municipal council. Copies shall also be affixed to the notice board of his court-house and of the municipal office. He may also call on the petitioner to execute a bond in such amount and with such sureties as he may require for the payment of any further costs. At any time within fourteen days after such publication, any other candidate shall be entitled to be joined as a respondent on furnishing similarly such security as may be demanded by the *persona designata*.

6. Every election petition shall be inquired into by the *persona designata* as nearly as may be in accordance with the procedure applicable under the Code of Civil Procedure, 1908, to the trial of suits; provided that it shall only be necessary for the *persona designata* to make a memorandum of the substance of the evidence of any witness examined by him.

7. (1) No election petition shall be withdrawn without the leave of the *persona designata*.

(2) If there are more petitioners than one, no application to withdraw a petition shall be made except with the consent of all the petitioners.

(3) When an application for withdrawal is made, notice thereof fixing a date for the hearing of the application shall be given to all other parties to the petition and shall be published as in rule 5 *supra*.

(5) If the application is granted

(b) such withdrawal shall be communicated to the chairman of the municipal council by the *persona designata*.

8. An election petition shall abate on the death of a sole petitioner or of the survivor of several petitioners, and such abatement shall be communicated to the chairman of the municipal council by the *persona designata*.

9. Where at an inquiry into an election petition any candidate, other than the returned candidate, claims the seat for himself, the returned candidate, or any other party to the proceeding may give evidence to prove that the election of such candidate would have been void if he had been the returned candidate and a petition had been presented complaining of his election.

10. At an inquiry into an election petition the municipal council may appoint a legal practitioner or other person to attend and take such part therein as the *persona designata* may allow.

11. If in the opinion of the *persona designata*,

(a) the returned candidate, his agent or any other person with the connivance of such candidate or agent, has committed, or abetted the commission of, any one of the offences described in section 56 of the Act or in chapter IX-A of the Indian Penal Code, or

(b) the election of the returned candidate has been procured or induced or the result of the election has been materially affected, by any of the following corrupt practices :—

(i) any election offence falling under section 56 of the Act or under chapter IX-A of the Indian Penal Code when committed by a person who is not a candidate or his agent or a person acting with the connivance of a candidate or his agent;

(ii) any payment or promise of payment to any person whomsoever on account of the conveyance of any elector to or from any place for the purpose of recording his vote;

(iii) the hiring, employment, borrowing or using for the purposes of the election of any boat, vehicle or animal usually kept for letting on hire or for the conveyance of passengers by hire:

Provided that any elector may hire any boat, vehicle or animal or use any boat, vehicle or animal which is his own property to convey himself to or from the place where the vote is recorded;

(iv) the hiring, using or letting, as a committee-room or for the purpose of any meeting to which electors are admitted, of any building, room or other place where intoxicating liquor is sold to the public; or

(c) the result of the election has been materially affected by any irregularity in respect of a nomination paper or by the improper reception or refusal of a nomination paper or vote or by any non-compliance with the provisions of the Act or the rules made thereunder,

the election of the returned candidate shall be void.

Provided that if the *persona designata* is of opinion that any corrupt practice specified in clause (b) of this rule, which does not amount to any form of bribery other than treating as hereinafter explained has been committed and if the *persona designata* is further of opinion that the candidate has satisfied him that—

(a) no corrupt practice was committed at such election by the candidate and that any corrupt practices committed were committed contrary to the orders and without the sanction or connivance of such candidate; and

STATE CENTRAL LIBRARY, THIRUVANANTHAPURAM

(b) such candidate took all reasonable means for preventing the commission of corrupt practices at such election ; and

(c) the corrupt practices committed were of a trivial, unimportant and limited character ; and

(d) in all other respects the election was free from any corrupt practice on the part of such candidate or any of his agents ;

then the *persona designata* may find that the election of such candidate is not void.

Explanation. For the purpose of this rule 'treating' means the incurring in whole or in part by any person of the expense of giving or providing any food, drink, entertainment or provision to any person with the object, directly or indirectly, of inducing him or any other person to vote or refrain from voting or as a reward for having voted or refrained from voting.

12. (1) At the conclusion of the inquiry the *persona designata* shall declare whether the election of the returned candidate is void under rule 11.

(2) If he declares the election of the returned candidate void, he shall further pass an order either

(a) declaring that any other party to the petition who has under these rules claimed the seat has been duly elected ; or

(b) ordering a fresh election.

(3) The order of the *persona designata* under sub-rules (1) and (2) shall be final.

13. When an election is declared void under rule 12 (1) and a fresh election is ordered under rule 12 (2) (b), the seat of the returned candidate shall be deemed to be vacant from the date of the order of the *persona designata* and the election authority as defined in clause (3 A) of section 3 of the Act shall forthwith take the necessary steps for holding such fresh election.

Candidates should bring with them to the examination hall each day of the examination their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer books, but their register numbers should be written very distinctly on the outer cover of each. Failure to write their register numbers may involve the rejection of answer papers.

4 Candidates are not allowed to exceed the time assigned to each paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

THEY ARE ALSO PROHIBITED FROM INTRODUCING INTO THE EXAMINATION ROOM, ANY BOOK OR PORTION OF A BOOK, SLATE, MANUSCRIPT OR PAPER OF ANY DESCRIPTION, FROM COMMUNICATING WITH OR COPYING FROM EACH OTHER, AND FROM COMMUNICATING WITH ANY PERSON OUTSIDE THE EXAMINATION ROOM. ANY CANDIDATE DETECTED IN THE VIOLATION OF THESE RULES WILL BE SENT OUT OF THE ROOM FORTHWITH, AND HIS CONDUCT WILL BE REPORTED TO THE REGISTRAR.
